NOLTE SPRINKLER SERVICES INC.—TERMS AND CONDITIONS OF SALE

1. SERVICES PROVIDED

Nolte Sprinkler Services, Inc. is responsible for scheduling of all services stated in this document. All products used in your irrigation system by Nolte Sprinkler are installed according to manufacturer's directions by certified, trained personnel.

2. SCHEDULING DATES

Nolte Sprinkler will use the following schedule for services provided.

Well systems:

Start up: Beginning week of March 15

Winterizing: Beginning week of November 1

City water systems:

Start up: Beginning week of April 15

Winterizing: Beginning week of October 1. We will schedule all winterizing for city systems in the month of October.

System check #1: Mid June

System check #2: Late July, early August

3. SPECIAL REQUESTS

Nolte Sprinkler will accommodate requests for start-up/winterizing appointments. We have chosen the above time frame in order to minimize chances of freeze damage, especially for city water systems. Please make such request at least 1 week in advance.

4. PAYMENT TERMS

After each service, Nolte Sprinkler will leave a copy of the work performed along with other information on your door. You may receive an invoice in the mail. Terms are net due upon completion. A **1.5%** service charge will be added to all unpaid accounts after 30 days. If all 4 services are selected, an annual prepayment discount option will be mailed to you.

Prepayment is not required. You may either prepay or pay after each service.

5. GUARANTEE

Nolte Sprinkler guarantees your satisfaction with our irrigation services. If you are not satisfied with the results of any service, please call our office within 15 days following said service and we will perform a free service call.

6. TOP DRESSING AND RESEEDING

An irrigation system leak almost always leaves an area soft and "muddy". Our service technician will make every reasonable effort to return your lawn to original conditions including reseeding after repair is made. If any additional top dressing (dirt) or reseeding is required, you agree to do so.

7. SERVICE CALLS

If you have a concern with your irrigation system, please call our office "right away". If one of service technicians is not readily available, we will return your call! If we cannot answer your concern via telephone, we will gladly schedule a service call.

8. OTHER SERVICES

Please call our office to order or receive more information about the other services our company provides.

9. CONTINUING YEAR-TO-YEAR SERVICE

This agreement will remain in force for a period of one year and shall be renewed automatically for successive one year terms thereafter. You will be reminded of this in our newsletter. You will receive prior written notice of any price increases.

10. How to CHANGE or DISCONTINUE service

This agreement may be discontinued only by written notice. As stated above, you will receive a newsletter providing information about your service, pricing, and any prepayment discount. You may discontinue any service by sending us written notice prior to receiving the same. To change your service please call our office and speak to our service representative or send written notice authorizing the change to service.
